I CONTROLLER TO OBJECT

DISTANCE

4.30

METERS

A diagram showing a distance measurement. On the left is a circular icon of a controller. A dashed line extends from this icon to the right, where it meets another dashed line leading to a circular icon of a cube. The number '4.30' is displayed in large orange font between the two dashed lines. The word 'DISTANCE' is above the number and 'METERS' is below it. The text 'Object 1' is positioned below the cube icon.

Object 1

I SUMMARY OF DISTANCES
